Dear Parents,

Summer holidays are here again to give us respite from the scorching heat.

We hope that our children will enjoy their vacation time as well as they create their skills.

Children learn through experiments and play. There are many ways in which you can support them in gaining knowledge and understanding as well as strengthen the parents' child bond.

Some things that you as parents can do are:

- Take your child on a nature walk.
- Play simple games with your child.
- Make simple conversation.
- Involve them in little house hold chores.
- Recite a poem to them.
- Try to converse in English with them.

ACTIVITIES:-

Lady finger painting, Leaf painting

2. Do work in work book. (pg:- 2 to 11 in both workbook)
