WORKSHOPS FOR TEACHERS 2020-2021 BY DAVCMC, NEW DELHI

Teacher capacity building is critical for equipping teachers with all the requisite skills, which will ensure successful teaching and learning. DAVCMC, New Delhi takes up the initiative of teacher training in all the DAV school's in India to provide with online trainings during the critical phase of pandemic Covid-19 so that the teachers can give best lessons through online teaching by using various modes of technology. This programme is meant to equip teachers in content and pedagogical competence and their implications to classroom practices.
